They contain labeled blown-up diagrams of all of the components of your motor. Use the tables below to find part numbers for manuals for engines 1965 and older. (Engines newer than 1965, just supply model (or horsepower) & serial number when ordering your manuals!) Note: Letters such as E (Electric Start), L (Long Shaft), S (Electric Starter only, no alternator) and M (Manual start) in the model number of your engine can usually be ignored when ordering literature, since the literature covers all variations Part Number of Parts List Merc Model H.P.
